To amplify the romance in a relationship, consider a luxury bathtub for two.

There's nothing more soothing than a warm evening bath with your partner after a very long day. Not only will you get to ease off the stress, but you also get to spend some quality time with the person you love the most.

### Ella Gravity Driven 2" Dual Drain Technology

Ella acrylic safety tubs include our Dual Drain Technology, which has 2 independent overflows, and two 2-inch floor drains which can be operated independently by stainless steel cables to assure reliable and fast draining. In addition, both drain openers are equipped with extension handles for easy and comfortable use.

"No more waiting, just drain and go!"
