The choice of different colors*, patterns, and finishes will give you the options you've been looking for, to create the esthetic look and feel to elevate your living space. Cultured Marble is a great solution for your bathroom, steam-room, basement, or any other room you wish to shield from moisture.

*Color variation is normal and will also vary from our photos based on your indoor lighting.

These appealing shower wall surrounds have the same luxurious look and feel as natural marble and are also easy to clean and maintain.

Cultured Marble is easier to install than tile or marble, lower cost in material and labor, and look and feel like a high-quality material should.

Time, esthetics, and cost, makes cultured marble a smart choice.

Ella's 4, 6, and 8-panel shower walls are designed for the home improvement industry and are the perfect alternative for the DIY residential market and single drop-ship orders.

8-Panel Shower Wall

6-Panel Shower Wall

4-Panel Shower Wall

Ella's Bubbles designed the first and only multi-panel Cultured Marble shower wall surround.

Our Cultured Marble wall surrounds, shower bases and accessories come in many colors and styles, giving you options to choose a shower that suits your taste and your home's decor.

From contemporary to classic, we offer many design options. Customize your design with Cultured Marble wall panel shelves, panel trim, cultured marble shower bases, and more. Get creative with panel positioning and add mosaic accent tile to give your wall some flare!

Cultured Marble 8 Shower Wall Panels, 2" Trim, 7" and 15" Shelves.

Note: Dimensions may vary +/- 1/4"

Cultured Marble Low-Threshold Reversible Shower Bases

36" x 60" trench bases
(non-reversible)

36" x 60" bases
(non-reversible)

32" x 60" bases

30" x 60" bases

The reversible shower bases are finished on all 4 sides and can be installed as a left or right-side shower base.

This is a cultured marble reversible corner shower seat that can be installed in any shower on any surface. The corner seat provides an additional feature that will make every shower more pleasant and enjoyable. Enjoy the seat in your shower without the clutter and restriction of a removable seat.

The shower kit is shipped on a flat, well-protected custom-designed 64"x40" pallet. Shipping cost is much lower than common large or over-sized shower wall crates. The largest panel of this kit is 36"x60" making it easier and safer to carry than standard single-piece 96" panels. These multi-piece panels can be installed by a single person, reducing the risk of breaking, making them ideal for DIY projects!

Ella's Bubbles has been and will continue to focus on product design and functionality for the well-being of its consumers and business partners.
