Ella Gravity Driven 2" Dual Drain Technology

"No more waiting, just drain and go!"

1 1/2" Industry Standard Single 1 1/2" Drain

Compared to Ella's Dual 2" Drains

2" 2"

Ella Dual Drain Technology consists of two 2" gravity driven drains with 4 outlets (2 overflows and 2 openers), allowing the fastest, most reliable drain in the industry.

The average drainage time evaluated by our dealers range from only 50 seconds to a couple minutes based on tub size, condition of the house drain and configurations.
